

CLUB NEWSLETTER

Thursday 6th August 2026

Dear Members ,

I am happy to report that your Club has had a another successful and profitable financial year. This outstanding result has been supported by the wonderful weather we have experienced recently, which has encouraged strong patronage and excellent participation across all areas of the club.

While favourable conditions certainly played a part, our success would not have been possible without the dedication, professionalism and enthusiasm of our exceptional staff and I would like to thank every member of our team from our bar staff, catering team and greens staff, cleaning through to our administration and support personnel, for their commitment to providing outstanding service and maintaining the high standards our members and guests have come to expect.

As we look ahead, we remain committed to building on this year's achievements, continuing to improve our facilities and services, and ensuring Wauchope Country Club remains a welcoming and enjoyable destination for all.

Teresa Carney

On Saturday 1st August we attended the 2026 Coastline Bank Wauchope & Hinterland Business Awards

We entered in 4 categories:- Excellence in Hospitality, Excellence in medium sized Business, Outstanding employee - Dallas Stahlhut, and the Leigh Torrissi local legend award - Jane Horne.

We were sadly unsuccessful this year but wish to take a moment to not only congratulate those who took home the win but to thank our staff for their outstanding effort throughout the year.

Dallas was nominated for outstanding employee - Having dedicated 24 years of service to Wauchope Country Club, Dallas embodies the values and culture of the organisation. His longevity with the Club is a reflection of his reliability, commitment and genuine passion for the hospitality industry. Over the years, he has earned the respect of members, guests, colleagues and management alike, becoming a familiar and trusted face within the community. His dedication to the Club and its members extends well beyond his day-to-day responsibilities and is evident in everything he does.

Dallas has built strong relationships with members and guests and is widely recognised throughout the Club for his approachable nature, reliability and willingness to assist others. He takes the time to engage with members, understands their needs and consistently goes above and beyond to ensure they enjoy a positive experience.

His professionalism is evident in his calm and measured approach, particularly during busy periods and challenging situations. Dallas is a respected mentor to staff, providing guidance, support and encouragement while fostering a positive and inclusive team environment. His integrity, leadership and commitment to excellence make him a highly valued member of the Wauchope Country Club team.

Jane was nominated for the Leigh Torrissi local legend award - Jane Horne is the epitome of a local legend, through her unwavering commitment to both the Wauchope Country Club and the wider community, she consistently goes above and beyond in everything she does. Jane is an exceptional employee who genuinely cares about every member and guest, always taking the time to make people feel welcome and valued. Beyond her day-to-day role, she dedicates countless hours to organising and running charity bowls competitions that raise valuable funds for local causes. Her generosity, kindness and dedication have had a lasting impact on our community.

Jane is compassionate, selfless, hardworking and genuinely community-minded. She is always willing to lend a hand, whether it's assisting a customer, supporting a colleague or volunteering her own time to ensure charity events are successful. Jane has a remarkable ability to make everyone feel welcome, treating every person with kindness, patience and respect.

We recently had the pleasure of presenting the Wauchope Men's Shed with a cheque for \$3448.20 for our Hastings Regional Club Grants round for 2026.

Club Grants allow non for profit groups such as the Men's Shed to apply for vital funds and for Clubs to support our local area.

Wauchope Country Club is incredibly proud to support such a wonderful organisation and to support their ongoing projects.

If you are in the area, pop in and check out their amazing wood working skills and think of them next time your shopping for a special gift.

You may notice something a little different on the golf course this week.

John and Margie have been busy and it's all for a great cause.

What is the significance of a blue tree?

To spark conversations about mental health and suicide prevention. What began as a tribute to a relative lost to suicide in 2018 in rural West Australia has spread globally so now there are over 1860 registered trees.

Ours is on the left of the 14th fairway just past the bunker & can also be seen from Blackbutt drive

A moment for the boys

The ones who work out in the elements on the hot days, the coldest mornings and even in the rain.

The ones who can no longer sleep-in on the weekends because their body clock doesn't allow it.

The ones who love everything outdoors and couldn't imagine being stuck inside, even on the days that it has its perks.

We have an incredible team, our super-intendant Bobby has taken on his new role with great enthusiasm and it's great to see so much happening around the course.

We would also like to welcome on board Jaiah, who will be completing an apprenticeship in turf management, please make him feel welcome and say hello if you see him out and about!
