

CLUB NEWSLETTER

Monday 20th October 2025

Dear Members ,

Welcome to another edition of the Wauchope Country Club Newsletter!

As we move through another few busy months at the Club, we'd like to take a moment to thank our members and guests for their continued support. There's always plenty happening on and off the course, and this edition is packed with updates, upcoming events, and highlights from the Club. We look forward to seeing you all enjoying our great facilities and community spirit.

On Sunday 19th we held our Annual General Meeting, The board and management would like to extend a sincere a thank you to all members who attended the AGM. Your participation, feedback, and continued support play a vital role in shaping the future of Wauchope Country Club.

We had five (5) valid nominations received for three (3) vacant positions.

We're pleased to announce the successful candidates elected to serve on the Wauchope Country Club Board of directors for the coming term.

Congratulations to Peter McLeod, David Pritchard & Allen Lewis.

We thank all nominees for their willingness to contribute and represent our members, and we look forward to working together to continue strengthening our Club and community in the year ahead.

The Board and management would like to extend our heartfelt congratulations to Geoff Fowler on being awarded Life Membership. This honour recognises his outstanding dedication, commitment, and long-standing contribution to the Club over many years.

We would also like to extend our thanks to the various helpers who made Sunday possible, with special mention to Margie Pritchard and Wayne Stahlhut.

Repairs & Maintenance

Our team has been busy around the course and club grounds.

Planned pile burns were successfully carried out on the 7th of October by Fire & rescue Wauchope NSW.

Our Eastern Bowling green renovation is well underway, with hopes to see it back in play by the end of the month.

Exciting things are also happening in the clubhouse with the addition of our digital promotion and menu boards, to be installed this week and some behind the scenes planning as we get ready to release our new summer menu so watch this space!!
