CLUB NEWSLETTER

Thursday 7 May 2026

Dear Members

As we head into May, there's a great sense of momentum around the club. The cooler weather has arrived, bringing with it perfect conditions to enjoy the greens, the clubhouse and the many activities on offer.

Its been a busy and productive time at the club, with plenty happening both on and off the greens. From regular golf competition and social bowls to pennants playoffs, its fantastic to see so many members and guests making the most of what the club has to offer.

This month, we look forward to continuing that energy with a range of upcoming projects, promotions, and opportunities to get involved. Whether you're here for a round of golf, a catch-up with friends, or to support our raffles and events, your ongoing support plays a vital role in keeping our club thriving.

We thank all our members, staff, and volunteers for their continued contribution and look forward to sharing another great month together at Wauchope Country Club.

Around the Club

We would like to notify our members and acknowledge Richard Moore, following his decision to step down from his role as superintendent with the club.

We thank Richard for his time with the Club and wish him all the best in his future endeavours.

Bobby Lee will be stepping into the superintendent role and brings a wealth of knowledge and enthusiasm to the club.

Our well wishes to Amy who has moved to Sydney for study and Brad & Jye as they Travel around the UK to try their hand at pouring some Guinness.

Planned Works:

The club has ordered Timbers for the repair & replacement of our timber bridges and hopes to see this project underway in the coming weeks.

We are awaiting the PMHC contractor for pipe works to move forward with the rebuild of the Greens shed that was lost in the 2023 fire.

Council recycled water was been released today which comes as a welcome water source after a relatively dry season.

Pathway repairs on the 11th & 13th will commence in the coming weeks.

Renewals

Club membership renewals have now been sent out - if you have any trouble downloading your invoice or have any queries please do not hesitate to contact the office on 6585 3020

We would like to remind our members if you haven't received yours via email to check your spam folder or we can print you a copy at reception
